How to Interpret Your Score Report

The TOEFL ITP® test measures the English proficiency of test takers whose native language is not English and assesses their ability to use the language in an academic setting.

TOEFL ITP scores can be used to make placement decisions, to monitor progress, and to inform end-of-course decisions. Scores can also be used for admissions to programs and institutions where English is not the dominant language of instruction.

The TOEFL ITP score report provides section scores and a total score.

Sections	Scaled Scores
Listening Comprehension	31–68
Structure and Written Expression	31–68
Reading Comprehension	31–67
Total Score	310–677

The section scores are based on the number of correctly answered test questions, converted to a scaled score between 31 and 68 (or 67 for Reading Comprehension). The total score is calculated by adding the three section scaled scores, multiplying the sum by 10, and then dividing by 3. For example, if the scaled score for Listening Comprehension is 60, Structure and Written Expression is 60, and Reading Comprehension is 60, the total score is (60+60+60)*10/3 = 600.

In addition, TOEFL ITP scores are mapped to the Common European Framework of Reference (CEFR) to help you interpret your performance. Learn more by visiting ***www.ets.org/toefl/itp/scoring*** or by scanning the QR code below and selecting the "Scoring" tab.

The TOEFL ITP Program offers test takers the option to obtain certificates of achievement indicating the CEFR level that corresponds to their TOEFL ITP scores: a Gold certificate for scores at the C1 level, a Silver certificate for the B2 level, a Bronze certificate for the B1 level and a Certificate of Recognition for below the B1 level.

TOEFL ITP scores are valid for two years. Because language proficiency may change in a relatively short period of time, scores that are more than two years old cannot be reported or verified.
